

AeroShield Alliance

FOUR FORCES. ONE SHIELD.

WE ARE THE ALLIANCE. UNITED UNDER ONE SHIELD.

The Alliance brings together four trusted U.S. firms: **Athenium, Aero Velocity, Elevated Technologies and Service Specialists**, combining expertise in predictive analytics, aerospace engineering, global IT and ISR operations and workforce development.

Together we deliver advanced environmental intelligence, mission systems support and operational readiness across the full spectrum of data analytics, drone reconnaissance, ISR integration and mission-ready staffing, providing federal partners with CONUS and OCONUS capability to protect assets, manage risk and strengthen performance.
